

## FIRST GRADE BLIZZARD BAG

IT'S A SNOW DAY! LUCKY YOU!  
BUT FIRST YOU MUST DO A THING OR TWO...  
DON'T WORRY, IT'S NOT ALL THAT MUCH.  
IF YOU DO IT WELL, YOU'LL LEARN A BUNCH.

DON'T WHINE TO MOM AND DON'T BOTHER DAD.  
JUST DO YOUR BEST, IT'S NOT THAT BAD.  
AFTER YOU'RE DONE, WHAT FUN IT WILL BE!  
RUN OUTSIDE AND MAKE A SNOWMAN FOR ME!

(YOU CAN EMAIL ME A PICTURE OF YOUR SNOWY FRIEND!  
I BET YOU DON'T WANT THIS DAY TO END!)

LOVE,  
Mrs. Ortiz and Miss Bauer

OK, KIDS. LET'S GET DOWN TO BUSINESS.

1. Ask your parent to print the assignment pages.
2. Complete your assignments but take your time! It's not a race. Come back to your work throughout the day and take a break when you need one. You have 1 week from the snow day to turn in your completed assignments!
3. Don't forget to put your name and date on all of your work.
4. Have mom or dad check your work after you've finished. Have them initial your work after they've checked it.
5. Finally, once you're all done, sign and date the bottom of the assignment page, and make sure your parents sign, too!
6. Gather your completed work and put it in your take home folder, with the signed assignment page on top.

## ASSIGNMENTS

### Reading/ELA

1. Get under a snuggly blanket and choose a great book. After you're finished, on a piece of lined paper write 3 sentences of what happened *first*, *next*, and *finally*.

### Math

1. Log on to your xtramath.com account and practice your mastery. I will be able to check your progress!
2. On any piece of paper, write 2 subtraction and 2 addition stories. Illustrate your stories with pictures. For example, you can draw "7 snowmen. 2 melted away. How many snowmen are left?" Don't forget to write the fact,  $7-2=5$ . Each story should be about a different object and a different fact.

Do your best work and coloring!

### TIME WITH GOD

1. God loves you. Don't forget to spend some time today talking to Him. Thank God for His blessings and ask him to bless the special people in your life.
